Net debt of the County Dec. 31, 1904, exclusive of real estate and personal property,		<hr/> \$ 9,459 65

The new jail building, 38x44, three stories, made of brick with steel roof, has been built this year. The second and third floors will add fourteen very pleasant rooms, with bath room on each floor, for female inmates. Each room is large enough to accommodate two persons, if necessary. The first floor comprises two rooms and the jail department, which is equipped with 8 burglar proof Bessemer steel cells, each cell provided with 2 berths and open plumbing, and made of saw- and drill-proof material. The building was constructed in the most thorough manner by J. W. McCrillis, of East Rochester, N. H., and we invite your inspection of its utility. The entire cost of this building was \$13,809.11. This was an extra expense for the year, but the net debt has been reduced to \$9,459.65, which, under ordinary circumstances, ought to be paid in full within two years.

The following persons have been transferred to the New Hampshire State Hospital to be supported permanently there hereafter by the State: Betsy E. Grant, Herbert E. Farnham, Anna E. Fogg, William Martin, Nellie McQuade, and Frederic H. Edgerly.

We believe it to be best, both for the interest of the person assisted and the tax-payer, to have such assistance hereafter at the Farm, and not elsewhere, except for sufficient reasons. Suitable provisions have now been made to make all inmates comfortable.

The County Farm still continues under the efficient care of Mr. and Mrs. Meloon as Superintendent and Matron, and their assistants. We are indebted to them for another year of faithful service and economical management.

Chaplain's Report.

TO THE HONORABLE BOARD OF COMMISSIONERS OF CARROLL COUNTY :

Gentlemen:—In submitting my report for 1904, it is that the wishes of our Honorable Board respecting the religious and moral influences in the County home have been carried out. Religious services have been held each month of the year. The attendance and attention has been good. It is with pleasure that I can say that a goodly number of the inmates are quite interested in their salvation. Calls upon the sick have been made from time to time; funeral services when requested.

I wish to express my sincere thanks for the help extended to me by Superintendent and Mrs. Meloon, also the courtesies from the Commissioners.

Respectfully,
ALONZO STILLINGS, Chaplain.

I desire to extend to the officers of the Court, one and all, thanks for their most kind and courteous treatment of the Solicitor in the many trials and afflictions that go with that office. It is in their hands to make it pleasant for the Solicitor, or to make his life a burden: my paths have been made by them paths of peace.

By officers of the Court are meant all from the Clerk to the Messenger inclusive. To the Sheriff words of special praise are due. Sheriff Johnson and his corps of deputies have during the past year rendered to the County services meriting great praise. Whenever matters have been placed in their hands, their promptness and zeal have been a terror to evil doers. They deserve more credit than we can give them in words. Their deeds prove their worth.

Respectfully submitted,

SEWALL W. ABBOTT, Solicitor.

Auditors' Report.

The undersigned report that we have examined the accounts of the County Commissioners, County Treasurer and Superintendent of the County Farm from Jan. 1, 1904, to Dec. 31, 1904, inclusive, and find them correct and supported by proper vouchers for the receipts and disbursements of the County during said year. We refer to the reports of the County officers, published herewith.
